### Covid-19 support – Local volunteer group covering the KDGPC parishes – Letton, Kinnersley, Norton Canon and Sarnesfield

We have a team of 25 Volunteers on our database who are currently supporting our local 'At risk or Shielding' Residents.

If you have not already had a leaflet dropped through your door offering support and feel you are in need, you live within the four parishes and ....

you are Shielding and need assistance with shopping, collecting prescriptions, dog walking, please contact me (or your Parish Councillor ) and I will arrange for a volunteer to contact you to discuss how best we can support you: Please send me your name/address and contact telephone number to [rosiedavidson@hotmail.co.uk](mailto:rosiedavidson@hotmail.co.uk)
