

From the Chair of the Group Parish Council

I must apologise personally for my absence at the meeting on 6<sup>th</sup> October 2020. Unfortunately, I have been informed from our clerk that in fact only four members attended which does not constitute a quorum. In line with our Standing Orders without the meeting having a minimum of five Parish Councillors, the meeting did not take place and no business was dealt with.

The Agenda for that meeting will be deferred till the next meeting which I expect will be conducted via Zoom. Details of date and time will be published on our website - as with all meetings the general public can join via Zoom.
